That is correct Mike. Do we prepare the Fact Sheet using the WE CARE format or is there a different format that we need to use? Thanks CAS

Cary Martindale (through David Gray) Notes that San Jacinto and US Oil are in Representative Greene's district. We are not sure (anything in the WACO area?) about Representative Flores.

***On behalf of Jim Woolford...***

Dear Superfund Division Directors:

We're working with the OLEM front office to support Mathy as he prepares for an upcoming House Commerce Committee's Subcommittee on Environment and the Economy oversight hearing. One way we've been asked to help is

9768937

through the provision of site-specific information, which, of course, we need your help to gather. Specifically, we're writing to ask that you identify for us:

- High visibility sites informed by the Subcommittee's membership (see list see below) and
- Sites that serve as good beneficial use examples.

In addition to the site name, please provide us with any existing fact sheets or short write ups. Please send this information to Lois Gartner by **C.O.B.**

**Thursday, March 31.** If you have any questions in the interim, please have your staff contact Lois at: 703-603-8711 or at: [gartner.lois@epa.gov](mailto:gartner.lois@epa.gov).

Thank you in advance for your help-
